Sample DO-IT Summer Study Schedule

Thanks for making Summer Study a success! The following guidelines will help you move smoothly through the Summer Study program and gain the maximum benefit from the activities. This schedule lets you know what is planned and when to be ready!

- **Plan ahead** for rest, personal care, and other needs so you can **arrive promptly and participate** in all activities. If you require an adjustment to your schedule, request approval from a DO-IT staff member.

- On your schedule look for the following icons that highlight the major area of focus for each activity:

  Academic/College Preparation
  Planning for college, securing accommodations, exploring different fields of study.

  Career Preparation
  Exploring new and exciting career fields, participating in work-based learning, creating a resume.

  High-Tech Skills
  Developing technology skills, learning about assistive technology, designing a website.

- Show your appreciation for the people who are contributing their time and talents to this program by keeping an open and respectful attitude.

- Practice self-advocacy! If you require special disability-related accommodations in order to participate, request them from the presenter or a DO-IT staff member.

- Complete individual or group projects as assigned. Use time available during open computer labs to complete newsletter articles and other assignments.

- Abide by all curfews and gather only in designated campus locations. In McCarty Hall, please remember that only females are permitted on 2nd Floor South and only males are permitted on 3rd Floor South. The main McCarty lobby and library are "open" areas.

- Be aware of your personal safety during the program, both on campus and off campus. Travel in a group of three or more that includes an intern or a staff member. Keep track of your roommate or other "buddy."

- Wear your name tag and carry your room keys, meal card, and Summer Study schedule with you at all times.

- If you have suggestions for additional activities to add to the schedule, share your ideas with any DO-IT staff member.

Monday, July 25

1:30–3:30 pm   **Intern Check-in** (McCarty Hall Main Entrance Lobby, 3rd Floor)

3:30–5:30   **Intern Orientation** (McCarty Hall Lounge, 3rd Floor)

5:45–7:00   **Dinner** (McMahon Hall Cafeteria, Ground Floor, Dining Level)

7:00–9:00   **Intern Meeting** (McCarty Hall Library, 3rd Floor)

Tuesday, July 26

7:00–8:30 am   **Breakfast** (McMahon Hall Cafeteria, Ground Floor, Dining Level)

9:30–12:00   **Computer Lab Setup (Tech Staff)** (HUB 106B, 1st Floor)

9:30–12:00   **Program Setup (Interns and Staff)** (Meet in McCarty Hall Library, 3rd Floor, Lobby Level)

12:00–1:00   **Lunch** (HUB Food Court, Ground Floor)

1:30–3:00 pm   **Intern Rooms and Campus Orientation** (Leaving from HUB Food Court)

3:30–5:30   **Phase I *Scholar* Registration** (McCarty Hall Main Entrance Lobby, 3rd Floor, Lobby Level)

5:30–6:30   **Welcome Meeting for *Scholars* and Parents** (Haggett Hall Lounge, Plaza Level) Sheryl Burgstahler, *DO-IT Director*
- Welcome: Program goals, schedule, expectations, safety, and staff introductions.
- McCarty Hall rules and emergency procedures (Resident Advisor).
- *Scholar* and Guest introductions.
- View video *DO-IT Summer Study 2004*.

6:30–7:30   **Welcome BBQ** (Haggett Hall Patio, Plaza Level)
Your first assignment: "This Is Your Life!"

7:30–8:30   **DO-IT Success Panel** (Haggett Hall Patio, Plaza Level)
Words of wisdom from DO-IT Interns, *Mentors* and *Ambassadors*, who have "done it" before.
